

The Meaning of SALVATION by GOD

“With regard to sin, the world has become worse than the time of Noah. I did not create the world for there to be police and soldiers, it is sin that brought these professions into the world. “It is Satan who brings all the germs that exist today and it is he who gives them names. It is he that helps the doctors to look for names for them. What is cancer? What is Parkinson’s disease? What is stroke? What is hypertension? I did not create these things with human beings. When sin entered the world, sicknesses also entered the world.

“Many Christians keep their salvation to themselves as if it belongs to them. They have received salvation for decades but have not won a single soul for me. You are committing a sin indeed. It is those who go out, who speak my Word to people, that are active Christians. They are the ones that make me happy. Anyone who refuses to accept Jesus Christ as his Lord and Savior is going to Hell.

“How do people become saved? It is my name that saves. It is my name that people will call. They will confess their sins, they will ask for forgiveness from me, the LORD. They will invite me into their hearts by saying: *‘Jesus, the Savior, save me. Come into my life and save me. Make the necessary changes in my life so that I don’t commit the sins again. As from today, I decide to follow you, to do your will. Save me completely. Save me from the Devil, save me from sin, save me from the world, save me from the flesh, save me from the powers that still want to hold me back to take me to Hell. I want to end my life in Heaven with you. Lord, hold me firmly. Jesus, I run to you, hold me firmly. Save me completely’*. That person should say that prayer from his heart. He should call me from his heart, and I will hear. If he asks for forgiveness sincerely and he is sorry for his sins, I will save him no matter how grievous, no matter how big the sins may be. I will forgive him.”
